

Format

app,
website,
physical
location?

public media
centers for
device usage

How will
people
without
devices be
able to access
it

Government Funding

Section 8
Housing

veterans
associations

Can it work
with the
state/national
government

suggests
low-income
housing near
location of
employment.

Need
Mcmaster
to invest

Outside Of Work Area

How will the
people receive
their money

Maybe keep
track of
payment
history
(maybe
incentives?)

Cleanliness of
the person

Local free therapy?
Maybe just someone
to talk to? maybe no
professional...

Work Enviornment

doesn't
require
experience

Judge-Free
work area

Certain listings of
job offers willing to
accept ex-cons and
homeless people

Offer
Insurance

Location

Deviceless
People maybe
can go to a
local library??

putting flyers
on bus stops,
other areas

Will people
need to use
buses or other
transportation

Only for urban
areas
(Columbia
only for now)
